3. The Association shall maintain the common areas in an attractive and proper manner and the expense of such maintenance shall be paid by the Association, which shall assess its members for such expense. In addition to the common area, the Association shall maintain the planting area and the KINGS LAKE sign which are located in the middle of Kings Way until such time as the County assumes maintenance of the aforesaid area.

4. Each Owner, by accepting an interest in any residential unit, hereby and thereby agrees to be bound by all the conditions, limitations, reservations and restrictions as contained herein, and in the event of a breach agrees to pay all costs, including a reasonable attorney's fee, for the enforcement of these covenants. All subsequent transferees shall be similarly bound.

5. Voting Rights. Each member, with the exception of the Developer, shall be entitled to one (1) vote for each residential unit owned which is subject, by covenants of record, to the jurisdiction and powers of the Association. Where more than one person holds an interest in any residential unit, all such persons shall be members, however, the vote for such residential unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any one residential unit.

The Developer shall be entitled to one (1) vote for each residential unit owned within the subdivision, however, the voting rights of the Developer shall be limited to no more than forty-nine percent (49%) of the total number of votes cast on a particular matter, after the first to occur of the following events:

- A. Three (3) years from the date of the first sale of a residential unit in the subdivision.
- B. When thirty percent (30%) of the residential units in the subdivision are sold.

The date of the first sale shall be the date that the first contract was signed by a purchaser for property which is under a set of restrictions and covenants. Thirty (30) days prior to the first to occur of the aforescribed events, there shall be an election of a new Board of Directors of the Association and at such election, the Developer's vote shall be limited to forty-nine percent (49%) of the total votes cast for any director. It is the intention of this restriction that the Developer surrender control of the Association prior to the expiration of the earlier of the aforescribed events.

The membership rights (including voting rights) of any member may be suspended by action of the Board of Directors if such member shall have failed to pay when due any assessment or charge lawfully imposed upon him or any property owned by him, or if the member, his family, his tenants, or guest thereof, shall have violated any rule or regulation promulgated by the Board of Directors regarding the use of any property or conduct with respect thereto.

6. Assessments and Lien Rights. The Association shall have the power to make and collect assessments against members to defray the cost, expenses, and losses of the property owned or maintained by the Association. Each Owner

~~## 841 1734~~

of a residential unit within the subdivision, by acceptance of a deed therefor, whether or not it shall be so expressed in any deed or other conveyance, hereby covenants and agrees to pay to the Association any annual assessments or charge and special assessments for capital improvements as may be fixed or established from time to time by the Board of Directors of the Association. The Board of Directors of the Association shall make a specific assessment against each residential unit within the jurisdiction of the Association as funds are needed. The specific assessment shall be determined by dividing the total funds needed by the Association to meet its obligations by the total number of residential units subject to assessments within the jurisdiction of the Association. The specific assessment made by the Board, together with interest thereon and costs of collection, shall be a charge on each residential unit and shall be a continuing lien upon the residential unit against which such assessment is made from the date of the assessment. Each such assessment, together with interest thereon and costs of collection as hereinafter provided, shall also be the personal obligation of the person who is the Owner of each individual residential unit or undivided interest therein at the time when the assessment fell due. The assessments levied by the Association shall be used for the purposes set forth in this Declaration and in the Articles of Incorporation of the Association, and specifically for the purpose of maintenance, construction or reconstruction, unexpected repair or replacement of any of the property owned or maintained by the Association and for the cost of operating the Association and for Association taxes. The Board of Directors of the Association shall have the obligation to consider current cost and needs of the Association and to affix annual assessments for such costs to be paid by the members of the Association. Such assessments shall be levied on the members in accordance with Paragraph 7. In addition to the annual assessments, the Association may levy a special assessment applicable to that year only for the purposes of defraying in whole or in part the costs of any unexpected repair or replacement of any improvement in property owned or maintained by the Association.

If the assessments are not paid on the date when due, then such assessments shall become delinquent and shall, together with interest thereon at eight percent (8%) per annum and all costs of collection, including a reasonable attorney's fee, thereupon become a continuing lien on the residential unit which shall bind such property in the hands of the then Owners, their heirs, devisees, personal representatives and assigns. Should legal proceedings be required to enforce collection of the payment of an assessment, the same may be foreclosed as a lien against the residential unit against which such assessment was made in the manner provided for enforcement of liens pursuant to the laws of the State of Florida.

The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage placed upon the properties subject to the assessment.

7. Share of Ownership and Expenses. Since the number of residential units to be developed on the multi-family blocks may be less than the number allowed by the zoning laws (i.e., 578), the exact fractional share of common ownership and common expense will not be known until the multi-family residential units are constructed. Until the exact share of common ownership and common expense is

~~841~~ ~~1795~~

known, it shall be presumed that the undivided share of assets owned by the Association which is appurtenant to each residential unit in the subdivision and the fraction of sharing common expenses shall be:

1
638 (The total number of residential units allowed to be constructed in Kings Lake Unit #1

When the development of Unit #1 is complete and the exact number of residential units in Unit #1 is established, the undivided share of assets owned by the Association which is appurtenant to each residential unit in the subdivision and the fraction of sharing common expenses shall be:

The total number of residential units actually constructed in Kings Lake Unit #1

B. Assessments On Unsold Residential Units.

Anything to the contrary notwithstanding, until such time as all of the residential units within Kings Lake Unit #1 are sold to non-developer owners, the Developer's obligation for Association assessments on unsold residential lots shall be limited in the following manner:

(1) During this period, the Developer shall not be liable or obligated to pay its prorata share of assessments made by the Kings Lake Homeowners Association.

(2) During this period, the Developer agrees to pay such amount in excess of the assessment amounts owed by non-developer owners as is necessary to meet the maintenance obligations of Kings Lake Homeowners Association.

(3) During this period, the Developer guarantees that the annual assessment on non-developer owned residential units shall not exceed \$50.00 per year.

(4) During this period, the Developer shall have the right to terminate the special provisions of this Paragraph 7 at any time and upon such termination, the Developer shall be treated as a non-developer owner for assessment purposes, and all other paragraphs of this Article shall be null and void.

FIRST AMENDMENT TO DECLARATION OF PROTECTIVE COVENANTS
CONDITIONS AND RESTRICTIONS FOR KINGS LAKE UNIT NO. 1
AS RECORDED IN OR BOOK 841, PAGES 1791 THROUGH 1803,
PUBLIC RECORDS OF COLLIER COUNTY, FLORIDA

THIS AMENDMENT to the Declaration of Protective Covenants, Conditions
and Restrictions of Kings Lake Unit No. 1, made this 25 day of AUG,
1980, by KINGS LAKE HOMEOWNERS ASSOCIATION, INC.

WITNESSETH:

WHEREAS, the Declaration of Protective Covenants, Conditions and
Restrictions For Kings Lake Unit No. 1 as recorded in OR Book 841, page 1791 through
1803, Public Records of Collier County, Florida, provide for a means of making
amendments to such Declaration, and

WHEREAS, the requirements for enacting the following amendments have
been met.

NOW, THEREFORE, the Declaration of Protective Covenants, Conditions and
Restrictions For Kings Lake Unit No. 1 as recorded in OR Book 841, pages 1791 through
1803, Public Records of Collier County, Florida, is amended as follows:

Article III, Paragraph 14, is amended to read as follows:

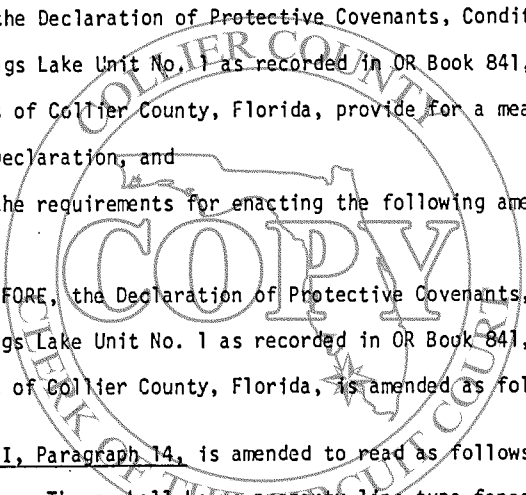

14. Fences. There shall be no property line type fences permitted.
Other fences and structural screens must be visually attractive and must be
approved by the Association as compatible with improvements in the neighborhood.

Article III, Paragraph 1 is amended by adding the following
paragraph:

G. No residence constructed upon a single family lot shall have a
roof constructed of materials other than the following: (A) Shake Shingle;
(B) Cement Tile; or (C) 340 lb. Timberline roof or its equivalent.

Article II is amended by adding the following paragraph:

Developer or his successor. In the event additional platted units are made
subject to the Declaration, membership in the Association shall include property
owners within the added platted units of Kings Lake. Property owners within

A. The numerator shall be one.

B. The denominator shall be the number of single family lots and residential units within Kings Lake units which have been made subject to the Declaration. (Until a multi-family parcel is completely developed or restricted by covenants so that the number of residential units which shall be built upon it is certain, the multi-family parcel shall be assessed a fractional share for each residential unit which is permitted to be built upon the specific multi-family parcel by the PUD plan which controls the development of all of the Kings Lake property in the West 1/2 of Section 7, Township 50 South, Range 25 East, Collier County, Florida.)
