2.9 Powers and Duties. The powers and duties of the Association include those set forth in Chapters 617 and 720, Florida Statutes, and in the governing documents. The Association has the power, but not the obligation, to purchase Lots in the community in connection with the foreclosure of an Association lien for Assessments, charges or fines or any other foreclosure of an interest that affects the Association's lien and to hold, Lease, mortgage, encumber or convey them with such power to be exercised by the Board of Directors without prior approval of the members

2.12 Interests in Real Property. The Association has the power to acquire property, both real and personal. The power to acquire personal property shall be exercised by the Board of Directors. Except as otherwise provided in Section 2.9 above, the power to acquire, or convey ownership interests in real property shall be exercised by the Board of Directors only after approval by at least a majority of the voting interests of the Association, present, in person or by proxy, at a duly called meeting of the members of the Association, called for the purpose. However, the power to lease or grant easements to Association property or common areas shall be exercised solely by the Board of Directors.

2.13 Disposition of Personal Property. Any personal property owned by the Association, may be mortgaged, sold, or otherwise encumbered or disposed of by the affirmative vote of a majority of the entire Board of Directors, without need for authorization by the Owners.

2.14 Bulk Agreements. The Board of Directors of the Association, by a majority vote pursuant to the applicable provisions of the Bylaws, shall have the power to enter into an agreement with an entity providing bulk services for Community Services, including but not limited to, cable television service to obtain cable television service on a "bulk rate" basis. Pursuant to such "bulk rate" agreement, every residential Lot within the property subject to this Declaration shall receive the bulk service specified in such agreement and any "bulk rate" fee or payment provided for in any such agreement which is to be paid by the Association to the provider shall be a common expense of the Association.

2.15 Roster. The Association shall maintain a current roster of names and mailing addresses of Unit Owners, based upon information supplied by the Parcel Owners. A copy of the roster shall be made available to any member upon request.

3. ASSESSMENTS. The provisions of this section shall govern Assessments payable by all Owners of parcels, for the common expenses of the Association not directly attributable to one of the parcels.

3.1 Covenant to Pay Assessments. Each Owner of a parcel by the act of becoming an Owner covenants and agrees, and each subsequent Owner of any parcel (including any purchaser at a judicial sale), by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay the Association:

(A) the Owner's prorata share of annual Assessments based on the annual budget adopted by the Association;

(B) the Owner's prorata share of Special Assessments for capital improvements or other Association expenditures not provided for by annual Assessments; and

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 6 -

(C) any charges properly levied against individual Owner(s) without participation from other Owners.

(D) irrigation charges to an individual Lot.

Assessments and charges shall be established and collected as provided herein and elsewhere in the governing documents. The Owner of each parcel, regardless of how title was acquired, is liable for all Assessments or installments thereon coming due while he is the Owner. Multiple Owners are jointly and severally liable. Except as provided in Section 3.13 below, whenever title to a parcel is transferred for any reason, the transferee is jointly and severally liable with the transferor for all unpaid Assessments and charges against the transferor, regardless of when incurred, without prejudice to any right the transferee may have to recover from the transferor any amounts paid by the transferee. No Owner may waive or otherwise escape liability for the Assessments and charges provided for herein by waiver or non-use of the common areas, by abandonment, or otherwise. Except as provided elsewhere in the governing documents as to Institutional Mortgagees, no Owner may be excused from the payment of Assessments unless all Owners are similarly excused. Assessments and other funds collected by or on behalf of the Association become the property of the Association. No parcel Owner has the right to claim, assign or transfer any interest therein except as an appurtenance to his parcel. No Owner can withdraw or receive distribution of his prior payments to the Common Surplus or Association reserves, except as otherwise provided herein or by law. When an Owner conveys a parcel to a trust or other entity, the Association may condition its approval upon the transferors agreeing to remain liable to the Association for any Assessments, charges, monetary obligations or other obligations owing to the Association as of the date of the approval, and for so long as the transferee trust or other entity may remain the title holder of the parcel.

3.2 Purposes of Assessments. The Assessments levied by the Association shall be used for the purposes of promoting the health, safety and general welfare of the parcel Owners and residents of Kings Lake; to operate, maintain, repair, improve, construct, reconstruct and preserve, on a not for profit basis the common areas owned by the Association for the benefit of its members, their guests, tenants and invitees; and to perform all other duties and responsibilities of the Association as provided in the governing documents. Common expenses also include the funds necessary to provide reserve accounts for:

(A) renovation or major repairs to the common areas; and

(B) for emergency and other repairs required as a result of storm, fire, natural disaster or other casualty loss.

3.3 Share of Assessments. Kings Lake contains one thousand, one hundred seventy-three (1,173) Units. The Owners of each Unit shall be jointly and severally liable for an undivided one thousand one hundred seventy-third (1/1,173) share of annual and Special Assessments. The Owners of each Unit shall also be jointly and severally liable with the prior parcel Owner(s) for all unpaid Assessments that come due prior to the transfer of title.

3.4 Personal Assessment. Any Owner, and such Owner's lessees, guests, invitees, and occupants of their parcel, who cause damage to any portion of the Common Areas as a result of an intentional act, misuse, negligence or otherwise shall be subject to a Personal Assessment, or Charge, to be levied against such Owner. A Personal Assessment or Charge shall also be levied against any Owner who does not meet their

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 7 -

maintenance obligations under the Governing Documents including the Rules and Regulations, after having received reasonable written notice and an opportunity to cure the violation, resulting in the Association being required to take corrective action and incur expense. Such personal Assessments shall be collected by lien under Section 3.5, below, as if an Assessment.

3.5 Lien. The Association has a lien on each parcel for unpaid past due Association Assessments, Personal Assessments and Charges, together with interest, late payment penalties and reasonable attorney fees incurred by the Association in enforcing this lien. The lien relates back to the date of the original recording of this Declaration in the Public Records of Collier County, Florida; and is perfected by recording a Claim of Lien in the public records of Collier County, which Claim of Lien shall state the description of the property encumbered thereby, the name of the record Owner, the amounts then due and the dates when due. The Claim of Lien must be signed and acknowledged by an officer or agent of the Association. The lien shall continue in effect until all sums secured by said lien have been fully paid, and the lien satisfied or discharged. The Claim of Lien shall secure all unpaid Assessments, Personal Assessments, Charges, administrative fees, late fees, interest, costs and attorney fees which are due and which may accrue or come due after the recording of the Claim of Lien and before the entry of a final judgment of foreclosure. Upon full payment, the person making payment is entitled to a satisfaction of the lien.

3.6 Foreclosure of Lien. The Association may bring an action in its name to foreclose its lien for unpaid Assessments or charges by the procedures and in the same manner as is provided in Section 720.3085, Fla. Stat., as amended from time to time, for the foreclosure of a lien upon a Parcel for unpaid Assessments. The Association may also bring an action at law against any Owner liable for unpaid Charges or Assessments. If final judgment is obtained, such judgment shall include interest on the Assessments as above provided and a reasonable attorney's fee to be fixed by the Court, together with the costs of the action, and the Association shall be entitled to recover reasonable attorney's fees in connection with any appeal of such action.

3.7 Removal of Property. After the Association successfully performs a foreclosure on the unit, if the unit Owner does not remove personal property from the foreclosed premises, such property will be deemed forfeited to the Association and the Association may authorize removal and may sell or donate such forfeited property after ten (10) days written notice by certified mail addressed to the unit Owner at the last known address or at such address on record as provided to the Association by the unit Owner. Such remedy shall be in addition to all other remedies available to the Association under applicable laws, Rules and Regulations including the right to compel removal of the property and right to impose any and all fines.

3.8 Priority of Liens. The Association's lien for unpaid Assessments shall be subordinate and inferior to the lien of a recorded first mortgage, but only to the extent required by the Homeowners' Association Act, as amended from time to time, unless the Association's Claim of Lien was recorded before the mortgage. The Association's lien shall be superior to, and take priority over, any other mortgage or lien regardless of when the mortgage or lien was recorded, except as otherwise expressly provided by the Homeowners' Association Act, as amended from time to time. The above subordination shall in no way extinguish the liability of an institutional first mortgagee for any monetary obligations owed to the Association. Any lease of a parcel shall be subordinate and inferior to the lien of the Association, regardless of when the lease was executed.

3.9 Application of Payments; Failure to Pay; Interest. Assessments, charges, and installments thereon paid on or before ten (10) days after the date due shall not bear interest, but all sums not so paid shall

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 8 -

bear interest at the highest rate allowed by law, calculated from the date due until paid. The Association may also impose an administrative fee and a late payment fee (in addition to interest). Assessments, charges and installments thereon shall become due, and the parcel Owner shall become liable for said Assessments or installments, on the date established in the Bylaws or otherwise set by the Board of Directors for payment. All payments on account shall be applied first to interest, administrative fees, late payment fees, court costs and attorney fees, and then to delinquent charges or Assessments. The Association may refuse to accept a partial payment which bears a restrictive endorsement and such will be the equivalent of no payment. No payment by check is deemed received until the check has cleared. However, when the check clears, the payment shall be credited as of the date the Association received the check. All payments must be made in United States Funds and paid through banks or financial institutions located within the United States.

3.10 Advances. The Association shall have the power, right and authority to advance on behalf of a defaulted Owner funds to accomplish the needs of the Association. The amount or amounts of money so advanced, including attorney's fees and expenses which might have been reasonably incurred because of or in connection with such advance, including costs and expenses of the Association if it must borrow to pay expenses because of the Owner, together with interest at the highest rate allowable by law, may thereupon be collected or enforced by the Association and such advance or loan by the Association shall not waive the default. Such amounts incurred by the Association are collectible from the Owner and are secured by the lien on the parcel.

3.11 Acceleration. If any Special Assessment or installment of a regular Assessment as to a parcel becomes more than thirty (30) days past due, and a Claim of Lien is recorded, the Association shall have the right to accelerate the due date of the entire unpaid balance of the residential parcel's Assessments for that fiscal year. The due date for all accelerated amounts shall be the date the Claim of Lien was recorded in the public records. The Association's Claim of Lien shall secure payment of the entire accelerated obligation, together with interest on the entire balance, attorney fees and costs as provided by law; and said Claim of Lien shall not be satisfied or released until all sums secured by it have been paid. The right to accelerate shall be exercised by sending to the delinquent Owner a notice of the acceleration, which notice shall be sent by certified or registered mail to the Owner's last known address, and shall be deemed given upon mailing of the notice, postpaid.

If a unit Owner fails to pay in full all Assessments due under a lien and said default shall continue into a new fiscal year, the Association shall have the right to accelerate the due date of the entire balance of the residential parcel's Assessments for that fiscal year as well. The due date for all accelerated Assessments for that fiscal year shall be the first day of that fiscal year. The right to accelerate a new fiscal year's Assessments shall be exercised by sending to the delinquent Owner a notice of the acceleration, which notice shall be sent by certified or registered mail to the Owner's last known address, and shall be deemed given upon mailing of the notice, postpaid.

3.12 Certificate as to Assessments. Within fifteen (15) days after request by a parcel Owner or his designee or mortgagee or its designee, the Association shall provide a certificate (sometimes referred to as an "estoppel letter") stating whether all Assessments and other monies owed to the Association by the parcel Owner with respect to the parcel have been paid. Any person other than the parcel Owner who relies upon such certificate shall be protected thereby. An association may charge a fee for the preparation of such certificate, and the amount of such fee must be stated on the certificate.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 9 -

3.13 First Mortgage Foreclosure. If the mortgagee of a first mortgage of record acquires title to a parcel as a result of foreclosure of the mortgage, or as the result of a deed given in lieu of foreclosure, the first mortgagee shall be liable for the share of common expenses or Assessments attributable to the parcel, which came due prior to the mortgagee's acquisition of title, to the fullest extent provided by the Homeowners' Association Act, as the same may be amended from time to time. Any unpaid share of common expenses for which such acquirer is exempt from liability becomes a common expense collectible from all Unit Owners. No acquirer of title to a parcel by foreclosure, or by a deed in lieu of foreclosure, may be excused from the payment of any Assessments coming due during the period of such ownership.

4. EASEMENTS.

4.1 Appurtenant Enjoyment Easements. The Owner of each parcel, their guests, lessees and invitees, shall have as an appurtenance to their parcels a perpetual nonexclusive easement for ingress and egress over, across and through the common areas, for the use and enjoyment of all recreational facilities and common areas, such use and enjoyment to be shared in common with the other Owners of parcels, their guests, lessees and invitees, subject to the provisions of this Declaration. From time to time the common areas, or any portion thereof, is opened and put into use for the enjoyment of Owners, tenants, guests and invitees, Association shall be and remain wholly free and clear of any and all liability to, or claims by, all Owners, and all persons and entities, of whatever kind or character, whether sounding in contract or tort, deriving from the occurrence of any injury or damage to any person or property on, or in respect of the use and operation of, the common areas or any of its improvements, fixtures, and facilities; inasmuch as the control, operation, management, use and enjoyment, of the common elements and Association property shall be within, under, and subject to the Association. In this respect, it shall be the affirmative duty and responsibility of each Owner and user of the common areas and its facilities to continuously inspect the same for any defects or perils or other unsafe conditions or circumstances, prior to and during such use or enjoyment thereof; and all users of, and visitors to, the common elements and Association property and their improvements and facilities shall use, enjoy, and visit, the same at their own risk and peril.

4.2 Interior Roadway Easements. The interior roadway system of Kings Lake is made up of County roads which are open to the public. The roadways are subject to the rules and regulations as the Association imposes; however, each Owner of a parcel shall have an easement for ingress and egress over said roadway system. The Board of Directors shall have the right to establish parking regulations and to enforce such regulation by all means lawful for such enforcement on drives and roadways.

4.3 Utility Easements. A perpetual easement shall exist upon, over, under and across Kings Lake for the purpose of maintaining, installing, repairing, altering and operating sewer lines, water lines, waterworks, sewer works, force mains, lift stations, water mains, sewer mains, water distribution systems, sewage disposal systems, effluent disposal systems, pipes, valves, gates, pipelines, cable television and all machinery and apparatus appurtenant thereto as may be necessary for the installation and maintenance of utilities servicing all Owners of parcels and servicing the common areas, all such easements to be of a size, width and location so as to minimize and not unreasonably interfere with the use of any improvements which are now, or will be, located upon said property. The Association, through its Board of Directors, has the authority to grant additional such easements, and to modify, move or vacate such existing easements as may be necessary to efficiently and effectively provide utility and other services to the parcels and the common elements and common areas.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 10 -

4.4 Subordination. Notwithstanding any of the foregoing to the contrary, it is understood that these covenants and restrictions are subordinate, and will be subordinate without the necessity of any other instrument, to any existing easement covering the basic water, sewer and drainage systems installed in the common areas, and any existing easement or easements to any public or quasi-public utility for the installation and maintenance of service lines in the common areas.

4.5 Extent of Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(A) the right of the Association, in accordance with its Bylaws, to borrow money for the purpose of improving and/or maintaining the common areas and providing the services authorized herein, and, in aid thereof, to mortgage said properties;

(B) the right of the Association to impose rules and regulations governing the use of the common areas and Association property as further provided in Section 7. of the Bylaws; and

(C) the right of the Association to a non-exclusive easement over, across and through each parcel as necessary to meet the Association's maintenance responsibilities.

(D) the right of the Association to levy Assessments on lots and units to enable the Association to pay the costs of operating and maintaining the Common Properties and other costs of the Association, and

(E) the right of the Association, as provided in its Articles and Bylaws, to suspend the enjoyment rights of any Member for any period during which any Assessment remains unpaid, or for a period that may be determined by the Board of Directors for any violation of this Declaration, the Association's Articles, Bylaws or published rules and regulations; and

(F) the right of the Association to dedicate or transfer all of any part of the Common Properties to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed by the Members; provided that no such dedication or transfer, determination as to purposes or as to the conditions hereof, shall be effective unless an instrument signed by the appropriate officers of the Association certifying that at a Special or Regular Meeting of Members called for such purpose, and written notice was sent to each Member, the approval of at least seventy-five percent (75%) of the Members present, either in person or by proxy, was obtained, agreeing to such dedication or transfer;

(G) the right of the Association to grant exclusive easements and rights-of-way over certain parts of the Common Properties to Members of the Association when the Association deems it necessary; and

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 11 -

If such approval is granted, the use of the drone shall be operated in accordance with the provisions of Section 934.50, Fla. Stat., as may be amended from time to time, and the operator may not use a drone equipped with an imaging device to record an image of privately owned real property or of the Owner, tenant, occupant, invitee, guest or licensee of such property with the intent to conduct surveillance on the individual or property captured in the image in violation of such person's reasonable expectation of privacy without his or her written consent.

The operator or user of such drone must comply with all applicable federal aviation requirements and rules and regulations established by the Federal Aviation Administration or any other governmental authority. The Board of Directors may revoke or rescind any approval of the use of a drone on Community Property previously given, if, in the sole discretion of the Board of Directors, it appears that such use has had unanticipated, adverse effects on the Community. The owner and operator of a drone used on, over or through the Community, shall hold the Association, its officers, and directors harmless from any liability, loss or damage arising from the use of such drone on, over or through the Community. Each unit Owner shall be liable for the expenses of any maintenance, repair or replacement of common elements, other units, or personal property made necessary by his intentional or negligent actions or by that of any member of his family or his guests, employees, agents, or lessees in the use of drones on, over or through the Community.

7.38 Laws and Ordinances. Every Owner and occupant of every unit, their guests and invitees shall comply with all laws, statutes, ordinances and rules of federal, state and county governments applicable to the properties and any violation thereof may be considered a violation of this Declaration; provided the Board shall have no obligation to take action to enforce such laws, statutes, ordinances and rules.

8.2 Duty to Insure. Each parcel Owner is responsible for insuring the real and personal property within his own parcel and Residence. Each Owner must recognize that he bears financial responsibility for any damage to his property or liability to others that would otherwise be covered by such insurance liability including all risk, flood, liability, etc.

8.3 Failure to Reconstruct. If the Owner of any Residence fails to commence or complete construction to repair or replace any damaged or destroyed improvements within the time periods provided for in Section 6.9 above, the Association shall give written notice to the Owner of default. If the Association exercises the rights afforded to it by this section, which shall be in the sole discretion of the Board of Directors, the Owner of the Residence shall be deemed to have assigned to the Association any right he may have to insurance proceeds that may be available because of the damage or destruction of the improvements. The Association shall have the right to recover from the Owner any costs not paid by insurance, and shall have a lien on the parcel and Residence to secure payment.

- 24 -

8.4 Association Insurance; Duty and Authority to Obtain. The Board of Directors shall obtain and keep in force the insurance coverage which it is required to carry by law and under this Declaration, and may obtain and keep in force any or all additional insurance coverage as it deems necessary. The name of the insured shall be the Association and the Owners without naming them, and their mortgagees, as their interests shall appear. To the extent permitted by law, the Association may self-insure.

8.5 Optional Coverage. The Association may purchase and carry other such insurance coverage as the Board of Directors may determine to be in the best interest of the Association and residential unit Owners.

8.6 Description of Coverages. A detailed summary of the coverage included in the policies, and copies of the policies, shall be available for inspection by residential unit Owners or their authorized representatives upon request.

8.7 Waiver of Subrogation. If available and where applicable, the Board of Directors shall endeavor to obtain insurance policies which provide that the insurer waives its right to subrogation as to any claim against the Association parcel Owners, or their respective servants, agents or guests, except for any claim based upon gross negligence evidencing reckless, willful or wanton disregard for life or property.

8.8 Insurance Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association, the Owners and their mortgagees as their interests may appear, and all proceeds shall be payable to the Association. The duty of the Association shall be to receive such proceeds as are paid, and to hold the same in trust, and disburse them for the purposes stated herein and for the benefit of the Owners and their respective mortgagees in the following shares:

(A) Common Areas. Proceeds on account of damage to common areas shall be held in as many undivided shares as there are Residences, the shares of each Owner being the same as his share in the common areas.

(B) Mortgagee. If a mortgagee endorsement has been issued as to a Residence, the shares of the mortgagee and the Owner shall be as their interests appear. In no event shall any mortgagee have the right to demand application of insurance proceeds to any mortgage or mortgages which it may hold against parcel or parcels, except to the extent that insurance proceeds exceed the actual cost of repair or restoration of the damaged building or buildings. 8.9 Distribution of Proceeds. Proceeds of insurance policies received by the Association shall be distributed to or for the benefit of the Owners in the following manner: The proceeds shall be paid to defray the costs of reconstruction or repair by the Association. Any proceeds remaining after defraying costs shall be distributed to the beneficial Owners in any manner provided by law.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 25 -

8.11 Damage to Common Areas. Where insured loss or damage occurs to the common areas or Association property, it shall be mandatory for the Association to repair, restore and rebuild the damage caused by the loss, and the following procedures shall apply:

(A) The Board of Directors shall promptly obtain reliable and detailed estimates of the cost of repair and restoration, and shall negotiate and contract for repair and reconstruction.

(B) If the proceeds of insurance and available reserves are insufficient to pay for the cost of repair and reconstruction of the common areas, the Association shall promptly, upon determination of the deficiency, levy a Special Assessment against all parcel Owners for the deficiency. Such Special Assessments need not be approved by the parcel Owners. The Special Assessments shall be added to the funds available for repair and restoration of the property.

9. OWNERSHIP OF PARCELS.

9.1 Forms of Ownership:

(A) A parcel may be owned by one natural person.

(B) Co-ownership. Co-ownership of parcels is permitted. If the co-owners are other than Domestic Partners as defined in Section 1.13, the Board shall be entitled to require the Owners to designate one (1) natural person as “primary occupant.” The use of the parcel and Residence by other persons shall be as if the primary occupant were the only actual Owner. Any change in the primary occupant must be approved in advance by the Board of Directors. No more than one such change will be approved in any twelve (12) month period.

(C) Ownership by Corporations, Partnerships or Trusts. A parcel may be owned in trust, or by a corporation, partnership or other entity which is not a natural person. The intent of this provision is to allow flexibility in estate, financial or tax planning, and not to create circumstances in which the parcel and Residence may be used as short-term transient accommodations for several individuals or families. A trustee, or corporation, partnership or other entity as a parcel Owner shall be required to designate one (1) natural person to be the “primary occupant.” The use of the parcel and Residence by other persons shall be as if the primary occupant were the only actual Owner. Any change in the primary occupant must be approved in advance by the Board of Directors. No more than one such change will be approved in any twelve (12) month period.

(D) Designation of Primary Occupant. Within thirty (30) days after the effective date of this provision, each Owner of a parcel which is owned in the forms of ownership stated in preceding subsections (B) and (C) shall designate a primary occupant in writing to the Association. If any parcel Owner fails to do so, the Board of Directors may make the initial designation for the Owner, and shall notify the Owner in writing of its action.

(E) Life Estate. A parcel may be subject to a life estate, either by operation of law or by a voluntary conveyance. In that event, the life tenant shall be the only Association member from such Residence, and occupancy of the Residence shall be as if the life tenant was the only Owner. Upon

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 26 -

termination of the life estate, the holders of the remainder interest shall have no occupancy rights unless separately approved by the Association. The life tenant shall be liable for all Assessments and charges against the parcel. Any consent or approval required of members may be given by the life tenant alone, and the consent or approval of the holders of the remainder interest shall not be required. If there is more than one life tenant, they shall be treated as co-Owners for purposes of determining voting and occupancy rights and shall be subject to subsection (B) above.

9.2 Transfers.

(A) Sale or Gift. No parcel Owner may dispose of a parcel or any ownership interest in a parcel by sale or gift (including agreement for deed) without prior written approval of the Board of Directors.

(B) Devise or Inheritance. If any parcel Owner acquires his title by devise or inheritance, his right to occupy or use the parcel shall be subject to the approval of the Board of Directors under Section 9.3 (A)(2) below. The approval shall not be denied to any devisee or heir who was the prior Owner's lawful spouse or non-spouse companion at the time of death, or was related to the Owner by blood or adoption within the first degree.

(C) Other Transfers. If any person acquires title in any manner not considered in the foregoing subsections, that person shall have no right to occupy or use the parcel and Residence before being approved by the Board of Directors under the procedures outlined in Section 9.3 below.

(D) Committee Approval. To facilitate transfers proposed during times when many of the members are not in Residence, the Board of Directors may by resolution delegate its approval powers to an *ad hoc* committee, which shall consist of at least three (3) members. The Chairman of the committee shall be deemed a Vice-President, and as such shall be empowered to execute Certificates of Approval on behalf of the Association.

9.3 Procedures.

(A) Notice to Association.

(1) Sale or Gift. An Owner of a parcel intending to make a sale or gift of his or any interest therein shall give to the Board of Directors or its designee written notice of such intention at least twenty (20) days before the intended closing date, together with the name and address of the proposed purchaser or donee, a copy of the executed sales contract, if any, and such other information as the Board may reasonably require. The Board may require a personal interview with any purchaser or donee and his spouse or non-spouse companion, if any, as a pre-condition to approval.

(2) Devise, Inheritance or Other Transfers. The transferee of a parcel must notify the Board of Directors of his ownership and submit a certified copy of the instrument evidencing his ownership and such other information as the Board may reasonably require. The transferee shall have no occupancy or use rights until and unless approved by the Board, but may sell or lease the parcel following the procedures in this Section or Section 9.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 27 -

(3) Failure to Give Notice. If no notice is given, the Board of Directors, at its election, may approve or disapprove at the time it learns of the transfer. If any parcel Owner fails to obtain the Association's approval prior to selling an interest in a parcel, such failure shall create a rebuttable presumption that the seller and the purchaser intend to violate the covenants of this Declaration, and shall constitute good cause for Association disapproval.

(B) Board Action. Within twenty (20) days after receipt of the required notice and all information or interviews requested, or not later than sixty (60) days after the notice required by paragraph (A) above is received, whichever occurs first, the Board shall approve or disapprove the transfer. If a transfer is approved, the approval shall be stated in a Certificate of Approval executed by the President or the Vice-President of the Association in recordable form and delivered to the transferee of the parcel. If the Board neither approves nor disapproves within the time limits as set forth above, such failure to act shall be deemed the equivalent of approval and on demand the Board shall issue a Certificate of Approval to the transferee.

(C) Disapproval. Approval of the Association shall be withheld or denied only for good cause, and then only if a majority of the whole Board so votes, after receiving a written opinion of counsel that good cause exists. Only the following may be deemed to constitute good cause for disapproval:

(1) The person seeking approval (which shall hereinafter include all proposed occupants) has been convicted of or has pleaded no contest to:

(a) a felony involving violence to persons, theft, arson or destruction of property within the past twenty (20) years;

(b) or a felony demonstrating dishonesty or moral turpitude within the past ten (10) years; or

(c) a felony involving illegal drugs within the past ten (10) years; or

(d) any other felony in the past five (5) years; or

(e) a felony involving sexual battery, sexual abuse, or lewd and lascivious behavior regardless of when that conviction occurred; or

(f) the person seeking approval has been labeled a sexual offender or a sexual predator by any governmental or quasi-governmental agency regardless of when that conviction occurred or when that label occurred.

(2) The person seeking approval has a record of financial irresponsibility, including without limitation prior bankruptcies, foreclosures or bad debts;

(3) The person seeking approval gives the Board reasonable cause to believe that person intends to conduct himself in a manner inconsistent with the covenants and restrictions applicable to the property;

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 28 -

- (4) The person seeking approval has a history of disruptive behavior or disregard for the rights or property of others;
- (5) The person seeking approval has evidenced an attitude of disregard for Association rules by his conduct in Kings Lake as a tenant, parcel Owner or occupant of a Residence;
- (6) The parties to the proposed transfer have failed to provide the information, fees or interviews required to process the application in a timely manner, or provided false information during the application process; or
- (7) The transaction, if a sale or gift, was concluded by the parties without having sought and obtained the prior approval required herein.

9.4 Exception. The provisions of Sections 9.2 and 9.3 are not applicable to the acquisition of title by a first mortgagee who acquires title through the mortgage, whether by foreclosure or deed in lieu of foreclosure.

9.5 Unapproved Transfers. Any sale or transfer of ownership of a parcel which is not approved, or which is disapproved pursuant to the terms of this Declaration, shall not be concluded; and if it is concluded in disregard of this Section, shall be void or voidable by the Association unless subsequently approved in writing by the Board.

9.6 Fees Related to the Sale, Lease or Other Transfer of Parcels. Whenever herein the Board's approval is required to allow the sale, lease or other transfer of an interest in a Parcel, the Association may charge the Owner a preset fee for processing the application, such fee not to exceed the maximum amount allowed by law or one hundred dollars (\$100) per applicant, whichever is greater. In addition to the transfer fee, the Association may perform a background and credit review and the applicant shall be responsible for the cost of those reviews.

10. LEASING OF PARCELS. In order to foster a stable residential community and prevent a motel-like atmosphere, the leasing of Parcels or Units by their Owners shall be restricted as provided in this section. All leases of Units must be in writing. An Owner may lease only his entire Parcel or Unit, and then only in accordance with this Section, after receiving the approval of the Association. The lessee must be a natural person. At the time of providing the Application to Lease, the Owner shall also supply an acknowledgment by the Lessee and any Rental Company involved in securing the Lessee, that the Lessee has read, understands and agrees to abide by the Association's Governing Documents. No Parcel or Unit shall be used as a short term transient accommodation. The legal responsibility for paying Association Assessments may not be delegated to the lessee. If the parcel is occupied by a tenant and the Owner is delinquent in paying any monetary obligation due to the Association, the Association may demand by notice as provided by Statute that the tenant pay to the Association the subsequent rental payments and continue to make such payments until all the monetary obligations of the Owner related to the parcel have been paid in full to the Association and the Association releases the tenant or until the tenant discontinues tenancy in the parcel. The tenant does not, by virtue of payment of monetary obligations, have any of the rights of an Owner to vote in any election or to examine the books and records of the Association.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 29 -

10.1 Procedures.

(A) Notice by the Owner. An Owner intending to lease his parcel and Residence shall give to the Board of Directors or its designee, written notice of such intention at least ten (10) days prior to the first day of occupancy under the lease together with the name and address of the proposed lessee, a fully executed copy of the proposed lease, and such other information as the Board may reasonably require.

(B) Board Action. After the required notice and all information requested has been provided, the Board shall have ten (10) days in which to approve or disapprove the proposed lease. If the Board neither approves nor disapproves within that time, its failure to act shall be deemed the equivalent of approval, and on demand the Board shall issue a written letter of approval to the lessee.

(C) Disapproval. A proposed lease shall be disapproved only if a majority of the whole Board so votes, and in such case the lease shall not be made. Appropriate grounds for disapproval shall include, but not be limited to, the following:

- (1) the Residence Owner is delinquent in the payment of Assessments, fines, charges or other monetary obligations due to the Association at the time the application is considered;
- (2) the Residence Owner has a history of leasing his parcel without obtaining approval, or leasing to troublesome lessees and/or refusing to control or accept responsibility for the occupancy of his parcel;
- (3) the real estate company or rental agent handling the leasing transaction on behalf of the Owner has a history of screening lessee applicants inadequately, recommending undesirable lessees, or entering into leases without prior Association approval;
- (4) the application on its face indicates that the person seeking approval intends to conduct himself in a manner inconsistent with the covenants and restrictions applicable to the property;
- (5) The person seeking approval (which shall hereinafter include all proposed Occupants) has been convicted of or has pleaded no contest to:
 - (a) a felony involving violence to persons, theft, arson or destruction of property within the past twenty (20) years; or
 - (b) a felony demonstrating dishonesty or moral turpitude within the past ten (10) years; or
 - (c) a felony involving illegal drugs within the past ten (10) years; or
 - (d) any other felony in the past five (5) years; or
 - (e) a felony involving sexual battery, sexual abuse, or lewd and lascivious behavior regardless of when that conviction occurred; or

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 30 -

(f) The person seeking approval has been labeled a sexual offender or a sexual predator by any governmental or quasi-governmental agency regardless of when that conviction occurred or when that label occurred;

(6) the person seeking approval has a history of conduct which evidences disregard for the rights and property of others. By way of example, but not limitation, a lessee taking possession of the premises prior to approval by the Association as provided for herein shall constitute a presumption that the applicant's conduct is inconsistent with the Declaration and Rules and Regulations of the Association and may constitute grounds for denial;

(7) the person seeking approval evidences a strong probability of financial irresponsibility;

(8) the person seeking approval, during previous occupancy, has evidenced an attitude of disregard for the Association rules;

(9) the person seeking approval gives false or incomplete information to the Board as part of the application procedure, or the required transfer fees and/or security deposit is not paid; or

(10) the parcel Owner fails to give proper notice of his intention to lease his parcel and Residence to the Board of Directors.

(D) Failure to Give Notice or Obtain Approval. If proper notice is not given, the Board at its election may approve or disapprove the lease. Any lease entered into without approval may, at the option of the Board, be treated as a nullity, and the Board shall have the power to evict the lessee with five (5) days notice, without securing consent to such eviction from the parcel from the Owner.

(E) Applications; Assessments. Applications for authority to lease shall be made to the Board of Directors on such forms and include such terms as the Board may provide from time to time. The legal responsibility for paying Association Assessments may not be delegated to the lessee.

(F) Committee Approval. To facilitate approval of leases proposed during times when many of the members are not in Residence, the Board of Directors may by resolution delegate its approval powers to an *ad hoc* committee, which shall consist of at least three (3) members.

(G) Manager Approval. To facilitate approval of leases proposed during times when many of the members are not in Residence, the Board of Directors may by resolution delegate its approval powers to the Manager of the Association. Only the Board of Directors shall have the power to disapprove a lease. If the Manager, after reviewing a lease and all information provided by the applicant, determines that he will not approve the lease, the Manager shall forward the proposed lease to the members of the Board of Directors for their review. Notwithstanding any other time periods set forth in this Section 10., the Board of Directors shall have twenty (20) days after the receipt of the lease from the Manager and all information or interviews requested in which to approve or disapprove the lease.

10.2 Term of Lease and Frequency of Leasing. No Parcel and Residence may be leased more often than six (6) times in any calendar year, with the minimum lease term being thirty (30) days. The first day

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 31 -

of occupancy under the lease shall determine in which year the lease occurs. No lease may be for a period of more than one (1) year, and no option for the lessee to extend or renew the lease for any additional period shall be permitted. However, the Board may, in its discretion, approve the same lease from year to year. No subleasing or assignment of lease rights by the lessee is allowed. This provision specifically prohibits leases of less than thirty (30) days through such operators of online lodging marketplace or online travel accommodations for lodging, primarily homestays and for vacation rentals such as Airbnb, Kayak, Homes to Go, VRBO, 9flats, FlipKey, HomeTrip, Wimdu or other such online lodging marketplaces.

10.3 Regulation by Association. All of the provisions of the Governing Documents (this Declaration, the Articles of Incorporation, the Bylaws of the Association and the rules and regulations of the Association) shall be applicable and enforceable against any person occupying a parcel and Residence as a lessee or guest to the same extent as against the Owner. A covenant on the part of each occupant to abide by the Governing Documents, designating the Association as the Owner's agent with the authority to terminate any lease agreement and evict the tenants in the event of breach of such covenant, shall be deemed to be included in every lease agreement, whether oral or written, and whether specifically expressed in such agreement or not. All leases will provide, or be deemed to provide that the Lessees have read and agreed to be bound by the Governing Documents.

11. AMENDMENTS; TERMINATION.

11.1 Duration. The conditions of this Declaration shall run with the land and shall inure to the benefit of and be enforceable by the Association or the Owner of any real property subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of fifty (50) years from the date this Declaration is recorded, after which time said Declaration shall automatically be renewed and extended for successive periods of ten (10) years. The number of ten (10) year renewal periods hereunder shall be unlimited with this Declaration being automatically renewed and extended upon the expiration of each ten (10) year renewal period for an additional ten (10) year period; provided however, and subject to existing laws and ordinances, that there shall be no renewal or extension of this Declaration if during the last year of the initial period, or during the last year of any subsequent ten (10) year renewal period, at least two-thirds (2/3rds) of the Owners of Residences affirmatively vote at a duly held meeting of the members of the Association in favor of terminating this Declaration at the end of its then current term. It shall be required that written notice of any meeting at which such proposal to terminate this Declaration is to be considered, setting forth the fact that such a proposal will be considered, be given at least forty-five (45) days in advance of said meeting. If the Association votes to terminate this Declaration, the President and Secretary shall execute a certificate which shall set forth the resolution of termination adopted by the Association, the date of the meeting of the Association at which such resolution was adopted, the date that notice of such meeting was given, the total number of votes of members of the Association, the total number of votes required to constitute a quorum at a meeting of the Association, the number of votes necessary to adopt a resolution terminating this Declaration, and the total number of votes cast against such resolution. Said certificate shall be recorded in the Public Records of Collier County, Florida, and may be relied upon for the correctness of the facts contained therein as they relate to the termination of this Declaration.

11.2 Amendments by Members. Except as otherwise provided herein or by law, this Declaration may be amended at any time by the approval of at least seventy-five percent (75%) of the voting interests who are present and voting, in person or by proxy, at a duly called meeting of the members of the Association, called for the purpose. A copy of each adopted amendment shall be attached to a certificate stating that the

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 32 -

amendment was duly adopted as an amendment to the Declaration, which certificate shall identify the Book and Page of the Public Records where the Declaration is recorded, and shall be executed by the President or Vice-President of the Association with the formalities of a deed. The amendment shall be effective when the certificate and copy of the amendment are recorded in the Public Records of Collier County, Florida.

12. ENFORCEMENT; GENERAL PROVISIONS.

12.1 Enforcement. Enforcement of these covenants, conditions and restrictions may be by a proceeding at law or in equity and may be instituted by the Association, its successors or assigns, or by any Owner, against any person or persons violating or attempting to violate or circumvent any covenant, condition or restriction, either to restrain violation or to recover damages, and against any parcel to enforce any lien created by these covenants. Failure of the Association or any Owner to enforce any covenant, condition or restriction herein contained for any period of time shall not be deemed a waiver or estoppel of the right to enforce same thereafter.

12.2 Owner and Member Compliance. The protective covenants, conditions, restrictions and other provisions of the governing documents and the rules promulgated by the Association shall apply to members and all persons to whom a member has delegated his right of use in and to the common areas, as well as to any other person occupying any Residence under lease from the Owner or by permission or invitation of the Owner or his tenants (express or implied), and their licensees, invitees or guests. Failure of an Owner to notify any person of the existence of the rules, or the covenants, conditions, restrictions, and other provisions of the governing documents shall not in any way act to limit or divest the Association of the power to enforce these provisions. Each residential parcel Owner shall be responsible for any and all violations by his tenants, licensees, invitees or guests, and by the guests, licensees and invitees of his tenants, at any time.

12.3 Litigation. Enforcement actions for damages, or for injunctive relief, or both, on account of any alleged violation of law, or of the governing documents or Association rules, may be brought, but shall not be required to be brought, by the Association or by an Owner against:

- (A) the Association;
- (B) a parcel Owner;
- (C) anyone who occupies or is a tenant or guest of a residential parcel; or
- (D) any officer or Director of the Association who willfully and knowingly fails to comply with these provisions.

12.4 Attorney Fees. The Association has the right to assess, as an Individual Assessment, and Owner for any costs and attorney's fees incurred by the Association in efforts to cause the Owner, his or her family member, guest, or tenant, to come into compliance with the terms of the Governing Documents, whether or not a lawsuit is commenced. In any legal proceeding arising out of an alleged failure of a guest, tenant, residential Owner, officer, Director or the Association to comply with the requirements of the law, or the Governing Documents, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such attorney's fees as may be awarded by the court, including appellate attorney fees and costs.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

- 33 -

12.5 No Election of Remedies. All rights, remedies and privileges granted to the Association or Owners under the law and the governing documents shall be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising any other rights, remedies, or privileges that may be available.

12.6 Notices.
