Dear Kings Lake Homeowner:

RE: UPCOMING TOWN HALL REGARDING PROPOSED DOCUMENT REVISIONS

Within the last few days, you should have received the first notice of our annual meeting to be held on **March 13, 2023**, along with a copy of the proposed set of newly **revised governing documents that you will be voting on this year**. Please take the time to read these documents and plan to participate in the upcoming **town hall** to get your questions answered before the vote. All notices and the document revision package can also be found on our website kingslake.today.

After last years' annual meeting and push to go back into committee with an increased representation of owners, the expanded documents revision committee reached out and **held two additional town halls to solicit questions and input from the community**.

Although the attendance at the last two town halls have been disappointing, we have proceeded to schedule another town hall for this upcoming Monday evening. We have reserved space at the New Hope Event Center in the hopes you will attend this event in person. This is also the location for this years' annual meeting. We hope to see you at both events!

**Monday, January 23, 2023, at 6:00 pm
New Hope Event Center
7675 Davis Blvd
Naples, FL 34104**

We previously announced this town hall meeting in the recent packet of information sent out.

We are planning to offer a zoom option. Details will follow in a separate notice and posted on website by Monday morning. However, we are encouraging that you attend in person to get the best experience.

Regards,
Gail Miers, President
Kings Lake Homeowners Association
