Target Pests (if applicable): _No Category

**Thank you for
your business!**

Service Notes & Observations

I treated the algae in lake 4 and sprayed some spike rush and grass in lake 1. I wasn't able to treat lake 4 to the degree that I would like to due to low dissolved oxygen levels from the rain and I don't want to hurt the fish. Soon the dissolved oxygen should be back to normal and I'll be able to do a more thorough treatment. Thank you.

Environmental Conditions

Weather: Overcast
Temperature: 82.51
Wind Direction: South-East
Wind Speed: 5.61
Humidity: 60.0000

Treated for Algae, Beneficial Bacteria Added, Treated Shoreline Weeds
